1. The 90 Day Challenge Will Change the Way You See the \_\_\_\_\_!

- ☐ Begin to grasp just how much of the Bible is the Old Testament! Basically 3/4 of it!
- ☐ Begin to see how many times the OT is quoted in the NT by the Apostles!
- ☐ Every person I talked to do that did it for a second time and finished in 90 days said it was easier to the second time around!
- ☐ The key is not so much **how little time** it takes to get through the whole Bible, but **how big of chunks** you are reading at one time!

**Read in BIG CHUNKS to See the BIG PICTURE!**

*"I was amazed to see the ups and downs of the Israelites, and yet see how God would provide to offer a "WAY BACK", though justice was administered, God remains merciful. Plus reading the gospels in the large chunks, brought the sacrifice of Christ to a humbling life changing experience. Plus reading Revelation brings to light where God is taking all of us! I really enjoyed the 90 day reading, and I am confident that in a second reading with in 90- days, I will gain even more understanding and truth into our Heavenly Father!" ~New Life Online Survey*

- ☐ Many of you will read the \_\_\_\_\_ Bible for the first time!
- ☐ Many of you will read \_\_\_\_\_ of the Bible that you never have!
- ☐ Many of you will read \_\_\_\_\_ of the Bible at one concentrated time than you ever have!
- ☐ Many of you will read your Bibles on a \_\_\_\_\_ basis for the first time in your life!
- ☐ We all have learned that we have \_\_\_\_\_ for setting aside to be in God's Word! If you can do this for 90 days, then you can get alone with God on daily basis, but read much less and spend more time praying and connecting with the Lord.

## 3. The 90 Day Challenge Will Change the Way You See \_\_\_\_\_!

*"It's been amazing reading during this fourteen days, I never thought that I could apply in my life the O T because to me it was the past, but by reading how every time the people of Israel were disobedient God will punish them but in the other hand how He will guide, protect, provide and show them the way to go every time they were obedient, I have applied this to my life by being obedient and doing the things I know are pleasing to my God, it is soooooo hard but it is possible if only I think of the consequences of my actions and thoughts. My God is amazing and His ways are perfect!!!" ~New Life Online Survey*
