### 6. Little Faith in a Big God Means Nothing Is <a href="IMPOSSIBLE">IMPOSSIBLE</a>!

Immediately Jesus stretched out His hand and took hold of him, and said to him, "You of little faith, why did you doubt?"

When they got into the boat, the wind stopped. Matthew 14:31-32

Then the disciples came to Jesus privately and said, "Why could we not drive it out?" And He said to them, "Because of the littleness of your faith; for truly I say to you, if you have faith the size of a mustard seed, you will say to this mountain, 'Move from here to there,' and it will move; and nothing will be impossible to you." Matthew 17:19-20

When He came into the house, His disciples began questioning Him privately, "Why could we not drive it out?" And He said to them, "This kind cannot come out by anything but prayer." Mark 9:28-29

#### 7. Pray! Pray! Pray!

**P** Praise God's Fatherhood, His faithfulness, His abundant mercies every morning, His loyal love, His coming judgment that warns before it's too late. His gracious gift of these lay ministers and servant leaders. His provision of safety physically and spiritually.

R Repent Falling short of the example we should be to these students. Not practicing what we preach. Not praying as we should. Being too critical, judgmental, or harsh. Not being involved and too distracted by our own technology...by own little faith not being fixed on our BIG GOD!

A Ask Pray through the parable of the "Four Soils/Hearts" for our students in *Luke 8:4-18*.

- Soften **Hard Hearts** where the Word does not penetrate and Satan snatches it away.
- Deepen Shallow Hearts that are emotionally stirred but not permanently changed, so the Word will take root.
- Chasten Crowded Hearts that temporarily show growth but are eventually distracted by the cares of this world and drift away.
- Strengthen Fruitful Hearts where the Word has taken root, is being held fast, and there is fruit that remains.

Y Yield We recommit ourselves to being the family of God and to being living sacrifices in the service of the LORD!

Therefore, brothers, by the mercies of God, I urge you to present your bodies as a living sacrifice, holy and pleasing to God; this is your spiritual worship. Do not be conformed to this age, but be transformed by the renewing of your mind, so that you may discern what is the good, pleasing, and perfect will of God. Romans 12:1-2 HCSB

# What to Ask When Your Teen Gets Home

Your teen will come home from camp exhausted – emotionally, physically and spiritually. It's not that they don't want to tell you about all the great things that happened over the week... it's that they might not be able to, due to exhaustion and lack of time to process all of their thoughts.

Once they engage with the world again, you can begin to ask questions to help jog their memory of the week. You may ask them all at once, or spread them out. Either way, talking about the week at camp will help your teen continue to grow spiritually while reinforcing the youth minister's work.

- 1. What was your day like at camp? Tell me about the chapels, rec time, hiking, etc.
- 2. Who did you room with?
- 3. What is your favorite camp memory?
- 4. How was your Family Group? Who was your leader?
- 5. What part of the Family Group Bible Study stood out most to you?
- 6. What was the "ACCESS" theme all about?
- 7. What did you learn new about Jesus at camp?
- 8. What new thing did you learn about yourself?
- 9. How can I/we help you make that become reality?
- 10. Did camp inspire you to personally do anything new or make any changes in your life?
