- **PRAY** together.
- **TALK** together about how we must respond to receive what God so freely offers us. Discuss how some people feel so bad about themselves, they fear God will reject them. Then discuss how other people feel so good about themselves, they reject God's offer of salvation. Everyone must come to Jesus for salvation and satisfaction; no one will be turned away who humbly comes.
- **FEAST** together over your family's favorite meal!
